

PLANNING STRATEGY: Mrs. R. J. Collette, center, of 2520 Bonita, Lemon Grove, general precinct chairman for the Citizens For High School Bonds, talks over group plans with Mrs. Harold Walba, 3870 Carancho st., Lemon Grove, area chairman from Helix High, and Mrs. Ronald Duncan, 8732 Adriana st., Spring Valley, area chairman for Mt. Miguel High.

The group is in favor of the passage of a \$6 million bond to finance work in the Grossmont Union High School District. The bond election is slated for October 17.

Free Air Time For Anti-Smokers

The Federal Communications Commission has resisted the financially strong arguments of cigarette manufacturers and television station operators to rescind its decision ordering broadcasters to give — free of charge, if necessary — equal time for anti-smoking announcements.

To the rational mind this may seem strong medicine but to the knowledgeable person, cigarette smoking is controversial.

The controversy is between doctors, who have opined that cigarettes are the basis of lung cancer, emphysema, heart disease, and an assortment of other ills.

Cigarette manufacturers say that their products "gentles the smoke," "travels the smoke farther" and "makes a cigarette taste good LIKE a cigarette should." Students of semantics will know what we mean even if the television station operator doesn't.

An effective, but repulsive question is being raised lately by non-smokers. He asks the smoker, "did you cough up blood this morning?"

The radio-television station operators will be hard put to allot enough time to answer the insinuations that come with commercials inviting you to visit "Smokeborough country."

The case of the cigarettes was the first in which FCC applied its fairness doctrine to advertising material.

These federal controls frustrate tv station operators. "Why," they ask, "are newspapers allowed to carry these commercials without providing equal space for opposition while we have to bow to the demands of the federal government?"

The answer is simple! Newspapers do not use the people-owned air waves.

Newspapers use material purchased on the open market using nothing in the public domain in order to communicate with their public.

Therein lies the great difference!

We suspect that some teevee operators go wild when they can't truly take part in controversial matters. When there are two sides to an important issue, the public, which owns the air the broadcasters use to earn their daily bread, might very well be equally divided. Therefore, according to FCC, the public's air should not be used to divide the public which owns the air.

Just how frustrated a station operator can become is shown by an act of a local teevee manager a couple of years ago who insisted that we retract an "error." He backed up his request with a threat to sue us for libel.

A publicist, of the same name as the tv guy, was fronting for a former San Diego city manager. The idea was to soften up the local public so that Spring Valley and Lemon Grove residents would welcome the invitation to annex to the City.

The tv guy's demands were based on the idea that people might mistake him for the publicist — or vice versa. That could never happen. The publicist's statements were strong and meaningful. We've heard the tv guy read "editorials" on the air from time to time. His statements are, generally, weak and watery. He simply can't take sides in an air controversy.

It is an almost certainty that he, and his hundreds of counterparts, will be more frustrated before they pass from this vale of tears.

We often wonder what would happen to the radio-tv people if the air was theirs and they took strong editorial positions such as newspapers do.

About a half dozen responses from their viewers bearing their position, we suspect, would return them to the rapid position they took when the air was controlled by FCC.

First Meet Tonight For Kempton PTA

Kempton St. Elementary School PTA will hold the first meeting of the school year tonight at 7:30 p.m. in the multipurpose room of the school. The theme for the year will be "Action Through Vision and Understanding."

An introduction of the staff of Kempton St. school will be made to the PTA by Mr. Ted Doughty, principal. Mrs. Barbara Wujcik, president of the Kempton St. School PTA, will introduce the PTA board members for the year.

Library certificates will be presented to the children who have read at least 10 books during the Kempton Summer Library Program.

Refreshments will be served following the meeting and babysitting will be available.

Chairman Gives Final Message Before United Crusade Drive

With the Lemon Grove-Spring Valley 1967 United Crusade scheduled to kick-off next Thursday, September 28, local chairman James Dorman offers a last minute reminder on the demands and use by Lemon Grove-Spring Valley residents of services offered by Crusade supported organizations.

"These vital services rendered by agencies of United Community Services of San Diego County are offered to Lemon Grove-Spring Valley people at the greatest bargain we have in our communities," said Dorman.

Grove Schools Add 27 Teachers

Last week as 4,000 students began the 1967-1968 term in Lemon Grove schools, among their instructors were 27 teachers new to the elementary schools.

These 27 new teachers bring to Lemon Grove schools a total of 138 years of college and university preparation encompassing 72 years of previous experience.

Sixteen of these people received their degrees at San Diego State College. Others graduated from accredited schools of higher learning in Washington, Wisconsin, Ohio, New Jersey, Illinois, Arizona, Oklahoma, Maryland, New York, and Texas.

The new staff men and women have, in addition to experience in the United States, further experience teaching in France, Peru, and Japan. Travel backgrounds include the South Pacific, Southeast Asia, and countries in North Africa. Three speak Spanish, one speaks Italian, and one speaks French.

Earlier this month the Lemon Grove Kiwanis staged its annual luncheon for new teachers. Lemon Grove District Teachers Association hosted them at an informal Koffee Klotch that same week.

'Alert', Says Grossmont Bond Group

The large black letters on the eye-catching gold handouts spell the word A-L-E-R-T. Don't worry, it's not an invasion. But as far as the Citizens for High School Bonds are concerned, the situation warrants a red alert.

The group, comprising many members from the Lemon Grove-Spring Valley area, is currently saturating the area with information regarding the upcoming Oct. 17 high school bond election which would provide the Grossmont Union High School District with \$6 million.

The citizens committee, with headquarters in El Cajon, cites the purposes of the bond are to provide additional classrooms, up-date facilities, complete maintenance, and plan and construct the ninth high school in the district.

Enrollment statistics re-

leased by the group show that five of the eight high schools are handling enrollments which top the capacity of the permanent buildings on the campuses. Mt. Miguel had an enrollment of 2,652 for this school year, while the capacity of the school is 2,188. Monte Vista's enrollment exceeds its capacity by some 200 students.

With successful passage of the bond, new facilities would be available for use after one year, during which time, one school, and possible three, will be on double sessions. The group indicated the many maintenance problems facing the schools and the fact that quality education demands improved facilities.

In describing the effects upon taxes, the Citizens for High School Bonds, state that homes valued at \$20,000 will be faced with approximately a

\$1.50 for the first year, with a graduation through a five year period to a possible maximum of \$3. Retired bonds on Helix, El Cajon, and Mt. Miguel will eventually reduce the figure.

The group for the passage of the bond also pointed out that the Grossmont Union High School District has the lowest tax assessment per child, and the second lowest expense factor per child of any union high school district in the state of California. The lack of sufficient operating funds prevents the elimination of drastic maintenance problems; keeping our local high school system current with educational progress; and our meeting academic accreditation standards for college entrance because we are unable to upgrade our science and library facilities.

The Citizens committee stresses is the apparent economy of the bond. They state it will cost the taxpayers from three to six cents per \$100 assessed valuation. Purchase of the bonds would be made from private sources instead of the State Building Program to save interest charges. In this way, nearly \$80,000 has been saved on previous bonds.

The group also listed the alternatives the community would face if the bond fails to gain the two-thirds majority which is needed. The most drastic according to the citizens is the possibility of double sessions and boundary changes which would require costly busing of students and extended day programs.

All citizens in the Heartland area are eligible to vote in this election. Voters residing in the following element-

ary districts are all voters of the Grossmont Union High School District: Alpine, Cajon Valley, Dehesa, Dulzura, Jamul-Las Flores, Lakeside, Lemon Grove, La Mesa-Spring Valley, and Santee.

The Citizens for High School Bonds group is headed by chairman Al Marshall. One of the locals involved in the project is Mrs. R. J. Collette, 2520 Bonita, Lemon Grove. She is general precinct chairman for the drive and is also president of the Foothills PTA. Mrs. Harold Walba is the area chairman from Helix High. Her residence is 3870 Carancho st., Lemon Grove, phone 469-1809. Mrs. Ronald Duncan, 8732 Adriana st., Spring Valley, president of the Mt. Miguel PTA, is area representative from the local high. Interested persons can reach her at 466-4631.

Council Backs Hospital Bond

Grossmont Hospital's bid for the addition of a 10-story section costing \$8 million received a boost this week with the endorsement of the plans by the San Diego County Hospital and Health Facility Planning Council.

The local hospital's govern-

ing board met yesterday to lay plans for a proposed bond election slated for Nov. 28. The \$8 million bond is needed for the construction of the wing which would increase the capacity of the hospital to 515 beds, making it the second largest in the com-

munity.

It was indicated by Hospital Administrator Leverett Bristol that passage of the bond could reduce the tax levy on the citizens which has been 20 cents for each \$100 of assessed valuation. Bristol foresees the possibility of the present tax rate falling to 18 cents next year.

A completed \$1 million power plant and a \$300,000 administration wing, now under construction, are two projects which were undertaken following the reception of funds from a tax levy. Since there were no beds involved in the construction of those two projects, voter approval was not necessary.

According to Bristol, the approval of the construction

bond by the Hospital and Health Facility Planning Commission was a mere formality, because no state or federal funds are being used. But since the Council acts as a body which recognizes the needs of hospitals in the county, Bristol felt the approval would help in the campaign.

Approval of the bond issue would set the stage for construction to begin in about 15 months. The emergency parking lot on the southeast corner of the present structure is the proposed site for the 10-story addition.

Bristol indicated that the target date for completion of the project is in the "early spring of 1971." All ten floors will not be needed immediately after completion of the construction, but will be furnished and equipped as the need for more floors arises.

A major change in the system of bedding and a new overall look to the hospital will come about as the result of the proposed addition. Over a hundred of the existing beds will be turned over to diagnostic, self-care, and extended care patients, while 281 beds in the new wing will become acute care beds.

The hospital, which opened in August of 1955, is governed by a five-man board of directors currently taking care of an estimated 1,000 patients per month. The facility began with just 110 beds and was expanded to its current capacity of 234 beds in 1960.

Post Office Here To Mark Anniversary of Postal Service

The Lemon Grove Post Office will mark the 74th Anniversary of National Postal Service Week Sept. 18-22.

On Friday, Sept. 22, guided tours will be offered to postal patrons between 10 a.m. and 3 p.m., according to Postmaster Frenchy Faucher.

Faucher said that his letter carriers will be delivering ZIP-A-List cards to residents during the week. These cards may be sent free of charge to Postmasters in other cities to get ZIP numbers of those whom you might want to write there.

Faucher said that the Lemon Grove Post Office was established on September 22, 1893 in a grocery store at Main and Pacific. It started as fourth class; became third class in 1921; second class in 1944, and in 1951 was designated first class.

In 1949 there were 10 full-time employees serving 1,250 families with a population of 4,000. Today, 40 employees serve 6,900 families and a population of 24,000. Receipts for the fiscal year just ended totaled more than \$300,000.

In 1941 a new building was

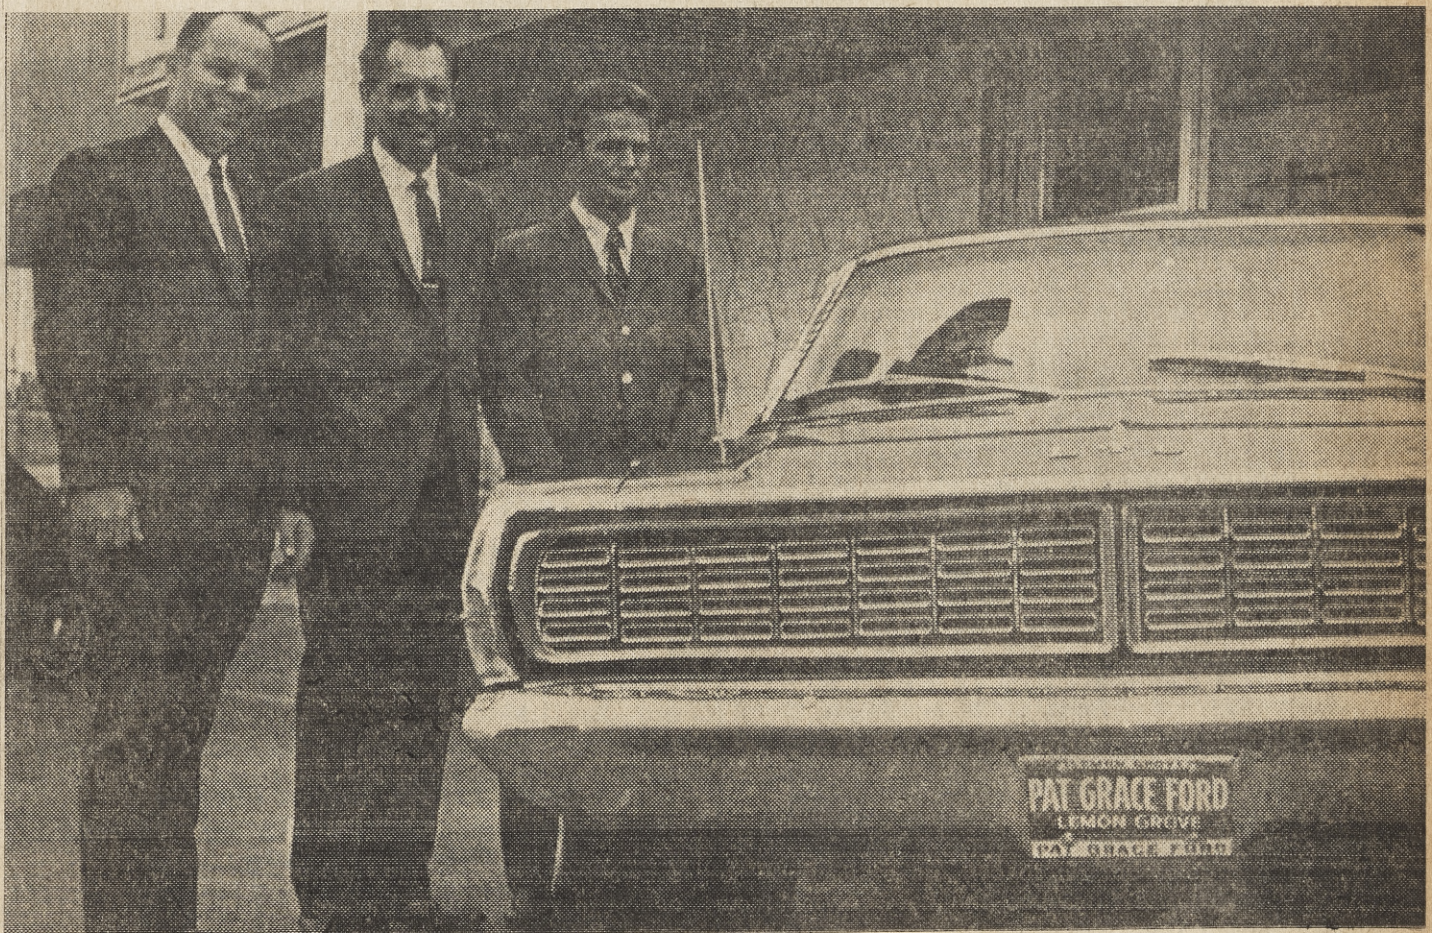

erected on Main st., near Broadway to house the post office. In 1948 it was moved to Broadway, west of Main. In 1956 it was moved to its present location, and later this year the facility will be moved across the street to an air-conditioned building now under construction with three times more workroom than the present building.

A list of postmasters and dates of appointments are: Sherwood Allen, Sept., 1983; Mortimer Bond, Jan., 1894; Joseph Kleinfeld, Sept., 1895; Curtis Metcalf, Feb., 1903; John Braiden, Dec., 1903; Frank Lyon, Dec., 1905; Milton Mason, 1906; Tony Sonka, Dec., 1907; Mrs. Antwonet Trenganza, Sept., 1940; Charlotte Nicolson, who died earlier this month, March, 1941, and Francis Faucher, July, 1949.

Reality Sermon

"Behold, now is the accepted time; behold, now is the day of salvation."

This verse from II Corinthians is the Golden Text of this week's lesson sermon on "Reality" to be read in all Christian Science churches on Sunday.

a little child shall lead them"

How can a child learn to find his place in the world, and make it a better place to live?

We would answer, by having the great treasures of the Bible opened up to him, and learning its lessons of love and spiritual power. That's what goes on every Sunday at the Christian Science Sunday School.

A jewel of a lighting system

We're not exaggerating.

The ring of light in San Diego's new stadium is bright enough for even a jeweler to do precision work right down on the field. And it's bright enough for precise color close-ups of players during nighttime telecasts. No other stadium in the nation has lighting that will pass that test.

Since the stadium's conception some three years ago, SD&E has been on the team that's met the stadium's many requirements for gas and electric service.

We're pleased to help shed some light on this beautiful subject.

PSYCHO-SOMATIC AILMENTS RESPOND TO PROPER TREATMENT

Psycho relates to the mind or soul and somatic indicates the body. So if your mind contributes to your physical discomfort you suffer from a psycho-somatic illness.

We seem to love big words and usually we are quite content to stop right there, but there is more. There is a reason why our once healthy mind should begin to get sick. The reason when it is found usually turns out to be sick glands that cause our sick thinker. GLANDS control our entire personality and give rise to healthy thoughts when they are healthy glands, but when they get out of tune and out of sorts we think unhealthy thoughts that tend to push us farther down into sickness.

Glands are little factories and like all factories, they need power to operate properly. The power house in the brain sends the glands enough power and intelligent directions for normal function, but the transmission lines, the nerve lines, are liable to injury and interference.

The MARCY CHIROPRACTIC OFFICE specializes in locating and removing nerve line interferences. Your psycho-somatic illness is found to have a physical cause and is responsible to physical correction.

A sales lady in the dangerous forties, unable to work because of a nervous and mental breakdown, is in a sad predicament. One came to the MARCY CHIROPRACTIC OFFICE who a few years previous had been hospitalized and now she was sick again and frightened because she thought this time might be the one from which she wouldn't recover.

Her blood pressure had dropped to the eighties. Her food would not digest. Mentally she was confused, despondent and sad. Nervousness prevented proper sleep. Her physician recommended a mental institution and shock treatments. Instead she came to the MARCY CHIROPRACTIC OFFICE where our examination disclosed the cause of her troubles and our corrective adjustments restored her health. She was back on the job within a few weeks: head clear: body feeling fine. A monthly check up has kept her in perfect health.

When large numbers of the sales force are home with colds, flu, or bitud. She hasn't lost a day in four months since we sent her back to her job. Psycho-somatic illness, or phycho illness must have a physical cause.

If chiropractic has liberated you from the bonds of illness, a regular check up will keep you well.

If convincing a sick friend is difficult escort them in — let us do it. It will make you feel real good.

If once upon a time you tried another might succeed: try again. If after all you've done and all you've taken, you're not well yet, why not let us help you out-grow it? or create an atmosphere favorable for a co-incidence? In either case your reward could be freedom from sickness. QUIT worrying about HOW you will get well. You have nothing to lose except your bad health.

The MARCY CHIROPRACTIC OFFICE invites you to call for consultation without obligation. Let's see if you are a chiropractic case. And if chiropractic can help you — phone 286-4144.

Watch for next week's article.

Directions, Parking Released For Grossmont Grid Carnival

Grossmont District Schools will salute Jack Mashin, former Grossmont coach, at their seventh annual Football Carnival tomorrow night in Aztec Bowl.

The event will pit Mount Miguel, host school for the Carnival, against Santana in the first quarter; Monte Vista against Grossmont in the second quarter; Helix against Granite Hills in the third quarter; and El Capitan against El Cajon in the fourth quarter. Presentation of the Lewis F. Smith trophy will be made for outstanding team performance.

Spectators coming from El Capitan are urged to take Highway 80 West, turning off at College Avenue exit and continuing to the designated parking area on the east side; those from Santana, El Cajon, Grossmont, and Granite Hills should take Highway 80 West to Fairmount; turn left to Montezuma rd.; left on Montezuma to 55th; left on 55th street to parking in the west side lots; Helix rooters should take 70th street to El Cajon blvd.; left on El Cajon to Montezuma rd.; right on Montezuma rd. to College avenue; right on College to the parking lots on the east side; Mount Miguel rooters should take Highway 94 to College avenue; turn right on College to Montezuma rd.; left on Montezuma to 55th street; and right on 55th to parking in the east side lots; and Monte Vista spectators should take Highway 94 to College ave.; turn right on College ave. to Montezuma rd.; and right on Montezuma to parking lots on the east side.

Pre-game pageantry which will begin promptly at 7:30 p.m. and conclude at 8:05 p.m., will be presented by bands from the eight schools in the district. Adult general admission tickets are \$1.25; student tickets, which will be sold only at the eight participating schools and not at the gate, are 75c; and tickets for children under 12 years of age are 50c.

Students are reminded that league rules prohibit noise makers and throwing of objects; additionally, all students are to remain on their assigned side throughout the Carnival.

Aztecs Face Bitter Fate

SAN DIEGO, Calif. — San Diego football fans will have the opportunity to see a group of the most devastating runners in college call Saturday when the Aztecs host Weber State in luxurious San Diego Stadium.

Fullback Lee White and tailback Henry Owens form a potent duo operating from the I-formation. White is highly regarded by professional scouts who label the 6-4, 230 pound fullback as a "can't miss prospect."

The Aztecs, led by Don Horn's four touchdown passes in the last half, managed a 33-34 victory over Weber State last season in one of the most awesome displays of offensive football of the 1966 season.

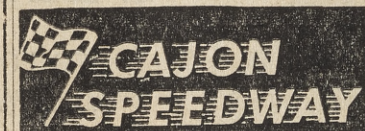

At one point in the first half, the Wildcats were in front by 20 points, but a stirring Aztec rally saved the game in the closing moments.

Tickets for the game are on sale at all Highlander Shops and Metro Ticket Agencies as well as the Aztec Book Store. Prices are \$3.50 and \$3.00 for reserved seats and \$2.00 for general admission.

PTA Honors MV Teachers

The faculty and staff of Monte Vista High were honored at a brunch given for them September 6 by the Monte Vista PTA. Mrs. James W. Colquhoun, social chairman, Mrs. Harry Wurtz, hospitality chairman, and Mrs. James McGhee, courtesy chairman, were in charge of the arrangements.

Mrs. William G. Subber, program chairman, has announced that the theme for the PTA general meetings this year is "Happenings at Monte Vista." The first PTA meeting of this school year will be an open house the evening of October 12, 1967.

Admiral Karabaris To Lead Kiwanis Parade Saturday

An admiral — no less — will lead the Kiwanis Day parade Saturday as Lemon Grove marks the annual Kiwanis Day. The parade will start at Lincoln and Imperial turning east to Kempf, then south on Highway 56 to the Kiwanis playgrounds. The admiral's escort is Rear Admiral C. A. Karabaris, USN, Commander of Fleet Air Wing 14. The king and queen are two youngsters from San Diego, Maureen Quinn and Gary Trimlett. The parade starts at 1 p.m. and marching bands of L.G. Junior High School will participate. Forty-eight trophies will be awarded. One half the total will be given to youngsters in athletic contests. The rest will be given to those having the best costumes in the parade. Con-

testants must be at the parade starting point at 12:30 for judging. Judging will be based on originality, effectiveness, cleanliness, neatness and deportment. Winners will also earn points toward winning judges said.

Ice cream will be distributed to youngsters free of charge after the parade. All after-parade activities will be at the junior high school. Free movies will be shown for kids under seven. Athletics events are scheduled at the same time for those over seven.

Kids from anywhere in the community may take part, Kiwanis President Ed Purter said.

LM-SV Kindergarten Policy On Par With State Program

The State of California is now encouraging institution of a kindergarten program basically similar to one that has been in effect for several years in the La Mesa-Spring Valley School District according to information released by the area district.

Recent legislation provides that all children eligible for kindergarten must enroll, and it further provides for increased reimbursement for each child attending a kindergarten session of 180 minutes or more taught by a teacher who has no other teaching assignment.

LM-SV kindergartens already meet this requirement and class time is presently 200 minutes. Kindergarten enrollment in the district, however, has been on a 35 to 1 pupil-teacher ratio with class size sometimes resulting in a 38 to 1 ratio.

To the extent possible, District kindergarten size will be reduced as rapidly as possible to a 31 to 1 ratio, the same ratio for other primary grades. In most instances, displaced students will be placed in new classes and additional teachers will be employed when necessary. Because of a shortage of classroom space, not all classes can be reduced in size.

One of fastest construction jobs ever undertaken in the LM-SV School District is nearing an end. All 27 new modular classrooms will be occupied on or about October 1. Contractors were given the

"go ahead" on July 12. New classrooms will be located at Avondale, Brier Patch, Fletcher Hills, Highlands, Kempton, La Presa, Maryland ave., Murray Manor, and Rancho. All rooms will be carpeted and air-conditioned. Units are of prefabricated metal construction.

Family Night Set By Highland PTA

Highlands Elementary Parent Teacher Association will hold a back to school family night, tonight at 7:30 p.m. in the school cafeteria. Special family night will feature an ice cream social, parent and child get acquainted time, short business meeting will follow.

Boy Scouts will present the Colors and sixth grade mothers will be hostesses.

Enrollment Up In Grossmont Highs, College

Grossmont College was hit with the largest enrollment figure in the history of the local institution as 5,629 students have signed up for classes.

The total was several hundred more than had been expected. The breakdown of enrollment was 3,838 students enrolled in daytime classes and 1,791 entering the evening division.

The enrollment at Grossmont last year was 4,871.

The nine-school Grossmont High School district reported a hike of 1,000 over the final number of students in the schools last June.

Golden PTA Potluck Dinner Set Tonight

Golden Avenue PTA is sponsoring a Family Potluck Dinner on the school grounds tonight from 5:30-7 p.m.

All children may enjoy a movie about Sea World to be shown after the picnic dinner. Child care will be provided for pre-schoolers and kindergartners. Teachers will be instructed by a student from the teacher's classroom. Dr. Ramon Ross, program chairman has planned an interesting series of programs for this school year.

Property Sales Rise in Area

Real Estate sales in the Lemon Grove-Spring Valley-La Mesa area were up during the month of August. A total of 309 sales were recorded, as compared with the previous month total of 227 and the total for August a year ago, which was 233.

The figures were announced yesterday by James C. Downs, Jr., Editor, San Diego County Real Estate Trends.

Two Valley Girls Join S.D. State Sororities

Laurie A. Larabee, 10169 Del Rio dr., Spring Valley, and Lauren Robin Lee, 9260 Hillside dr., Spring Valley are among some 239 coeds who joined the 12 sororities at San Diego State College during the fall semester's Panhellenic rushing program. Panhellenic is the governing body of the sororities on the campus.

Miss Larabee joined the Gamma Phi Beta sorority and Miss Lee became a member of the Kappa Alpha Theta group.

This was an increase of 20 over the 219 coeds who joined the sororities as pledges during the same period a year ago. The women, mainly freshmen and transfer students from other colleges, began rush September 1. Rush is the orientation program designed to give students a look at sorority or fraternity life.

The pledges were first taken on guided tours of the 12 sorority houses adjacent to the college. Rushes were introduced to members of the sororities and here the women were selected as prospective members. On September 7 the coeds were given bids (invitations) to join individual sororities.

Upon making a pledge to a sorority a woman enters a period of training. During this pledge period she is instructed about the history and organization of her sorority. She has an opportunity to become acquainted with active members of the group along with her pledge sisters. Pledges attend sorority house functions and assist the current members in the planning of many functions. Those who pass the pledge training become new sorority members.

Learn Spanish the Easy Way

Hardison's Telespanish

by James Hardison

Something new has been added to the teaching of Spanish. Its called Tele-Spanish and it represents a revolutionary concept in the teaching of languages.

Tele-Spanish is a new weekly T.V. series which will appear on Channel Eight beginning October 7 at 7 a.m. This program will use the television, telephone, and this newspaper column as a means of communication with students and interested readers.

Participants will use their television sets for their classroom instruction each Saturday morning and use their home telephones each day during the week for their personal "language laboratory." The T.V. classroom is replayed each Friday morning at 6:30 a.m. and the telephone "language laboratory" is available each day for the two-minute practice.

Students are encouraged to watch both telecasts and to practice the Spanish words and expressions at least once each day on the phone. Words and expressions will be explained on the telecast each Saturday morning and published in this column each Thursday before the telecast.

Additional information regarding this new concept in teaching may be obtained by contacting Mrs. Pat Byrom, T.V. coordinator for the San Diego City Schools, at 233-0181, extension 1.

As a preview to the T.V. program the following expressions may be practiced by dialing 276-2762 on your telephone.

San Altos Parents

Hold Initial Meet

Mrs. Arville Smith, president, called to order the initial meeting of the Executive Board of the San Altos PTA at the school's cafeteria, last Tuesday evening.

Mrs. Charles H. Weed, backyard swim chairman, submitted her annual report. Each summer the unit participates with the San Diego County Chapter of the American Red Cross in providing swimming classes for children, ages 6 to 12, in resident pools from donors in the area.

Parents who volunteered as instructors are: Mmes. Robert R. Morgan, Joseph F. Weyer, Richard Newell, Richard Sing, Thomas A. Welbaum, John F. McQuaid, Art E. Schupp and Mrs. Art E. Schupp.

These instructors, with aids, conducted classes for 157 children; of this number 27 Beginner and 7 Advanced Swimming Certificates were earned. The lessons covered rhythmic breathing, floating, arm strokes and leg kicks and stressed general skills of swimming safety.

Board members providing refreshments for the evening were: Mmes. Richard Dion and Robert Green.

Annexation Topic

At S.V. Meeting

The Spring Valley Community Council will hold a general membership meeting and public forum Monday night at 8 p.m. in the Spring Valley Community Center, 9050 Memory lane.

Leaders in the community have been invited to participate in a panel discussion of opinions pro and con concerning expansion of and annexation to the Spring Valley Recreation and Park District.

Program moderator will be Mr. William Faulstich, Attorney, 8341 Lemon ave., La Mesa.

Junior High Parents

Support Bond Passage

The first executive board meeting of the Lemon Grove Junior High PTA was held September 12 with Mrs. S. C. Brumbaugh Jr., president, in charge. Board members were introduced and reports of committee chairmen were given.

The 1967-68 budget was submitted by Mrs. H. L. Noltingham, treasurer, and was recommended to the unit for adoption at the October general meeting.

Mrs. J. H. Ogden outlined the PTA programs for the school year, announcing that parents would be especially interested in the speaker from the Narcotics Division of the Sheriff's Department, on October 19.

Orientations for all seventh grade parents have been planned, and the schedule was announced by Mrs. F. E. Hardesty, Room Representative chairman.

Mrs. Robert Richardson was ratified as Parent Education chairman, and Mr. Bernard Seller as Student Welfare chairman.

Mrs. R. J. Collette spoke to the board members about the upcoming Grossmont High School Bond Election on October 17, with the Board voting to go on record to endorse and support the bond election.

Hostesses for the evening were Mrs. J. R. Ogden and Mrs. C. R. Kennedy.

Congressman Utt

Has Heart Attack

Congressman James B. Utt (R-35th) has suffered a "mild coronary attack" Monday.

The eight-term veteran legislator was hospitalized at the Naval Hospital in Bethesda, Md.

Capitol Physician Dr. Rufus Judson Pearson, ordered Utt to take "two or three weeks" rest.

The 68-year-old Representative for Orange and San Diego Counties was reported in good spirits when he entered the hospital by Robert A. Geier, his Administrative Assistant.

Utt had recently completed his annual physical and was reported in top health. He had rested over the weekend with what was believed an attack of the flu. The House Physician, however, said he believed Utt had suffered a very mild coronary occlusion.

Burgener Speaks

Santa Sophia School Opens Fall PTG Meets

The Parent Teacher Group of Santa Sophia Academy, Spring Valley will hold its first meeting of the school year tonight at 7:30 p.m. with an "open-house" of all classrooms and the new school library.

Following will be the regular business meeting at 8:15 p.m. in the school auditorium, with Mrs. Russell Macy, presiding. There will be introductions of school faculty and the P.T.G. officers, and an outline of the school activities for 1967-68. Refreshments will be served by the first grade room mothers.

Santa Sophia has a "new look" this year with the addition of three portable classrooms, the new school library, the T.V. education programs, and the "all purpose room."

Mrs. David Arkells will be the school librarian. She will be assisted by volunteer room mothers.

It is expected the library will be open for the children's use in October.

HELLENIC WOMEN: Four local members of the Greek Community of San Diego admire one of the Greek centerpieces which will be sold during the Second Annual Hellenic Ball Fashion Show next Wednesday at the Kona Kai Club. From left to right are Mrs. George S. Marinos, publicity chairman, 1724 Circo Del Cielo dr., El Cajon; Mrs. Pete Pantazopoulos, 2986 Washington st., Lemon Grove; Mrs. Samuel Deneris, reservations chairman, 6018 Bounty st., Spring Valley; and Mrs. Alex Rigopoulos, 9014 Terrace dr., La Mesa.

Fashion Show to Kick-Off Greek Hellenic Ball Fete

It will be all Greek next Wednesday afternoon at the Kona Kai Club, when the Greek community of San Diego sponsors the Second Annual Hellenic Ball Fashion Show.

The fashion show is a kick-off for the annual Hellenic Ball, slated for October 28 in the Grand Ballroom of the Hotel Del Coronado. Fashion which will be worn during this winter's social season will be featured at the show.

A no-host cocktail hour at 11 a.m. in the Gold Room will be followed by a gourmet luncheon. Mrs. George Koufax and Mrs. Steve Aposperis are co-chairman for this event, with Mrs. Samuel Deneris taking reservations.

Ladies of the Greek Community who will do the modeling for the fashion show include Miss Ellen Aposperis, Miss Neta Gatzolis, Mrs. James S. Marinos, Mrs. Charley May, and Mrs. George Mastorakos.

The event is being staged to benefit the Hellenic Cultural Center to be established in San Diego and the Guadalupe Home for Boys, a Greek Orthodox supported home for boys of all faiths. The home is geared to meet the needs of pre-delinquent and delinquent boys of 12 to 16 years of age. It is the only one supported by the church on the west coast.

Mrs. Chris Levas is in charge of the decorations for the show, while Mrs. George Sheas is a local model who will also be participating. Mrs. George S. Marinos handled the publicity for the event.

**WHAT'S
DOING?**

One business that's really

catching on is the telephone answering service. These businesses (not part of the phone company) answer the phone for just about everyone who needs to be available to the public at all hours: lawyers, repair services, salesmen, and doctors—just to name a few. Since the first one was originated over 40 years ago, the number of answering services in California has grown to more than 700 and they serve over 100,000 clients.

From taking department store orders after hours, to serving as a secretary for busy people, the telephone answering service is another part of the ever-widening range of telephone uses. And you'll find them listed in the Yellow Pages of your telephone book.

Starting September 22 the Bell Telephone Hour will be presented every third Friday. Please check your local newspaper for time and station.

Have you ever spent unnecessary time searching through stacks of old papers, coupons, and matchbooks for an important phone number—only to find it written on a crumpled grocery list?

Well, I've found there's an easy way to keep those important numbers handy. Just call our La Mesa

Business Office and ask your Service Representative for a Personal Telephone Directory. She'll gladly send you one free.

Your Personal Directory has space for names, addresses, Area Codes, personal and emergency numbers. It's the handy way to keep frequently called numbers at your fingertips. And if you want more than one, just let her know. She'll be happy to send them to you.
